Preliminary Amendment

Assistant Commissioner for Patents

Washington, DC 20231

Dear Sir:

Please amend the above-identified patent application prior to examination as follows.

A copy of the marked-up section is attached.

IN THE SPECIFICATION:

Page 1, line 3 (counting down from the title and including the title line), delete "(Not Applicable)" and insert the following paragraph:

-- This application is a continuation of provisional patent application serial number 60/334,914, filed October 23, 2001, and claims the benefit of the filing date thereof. --

REMARKS

This Preliminary Amendment is made to properly reference the provisional application from which this non-provisional application claims priority.

Respectfully submitted,
Shu Lin et al.
